

Assessments and Student Eligibility Criteria:

These accommodations, mainly in the form of pop-ups, rollovers, and supplementary materials are available on STAAR online tests only (They are not available on Algebra II or English III).

Pop-ups:

- isolate specific information in a question that corresponds to each answer choice
- isolate specific text or information in a selection that is referenced in the question or answer choices
- isolate specific information in a graphic or list that is referenced in the question
- define literary terms
- apply an allowable supplemental aid (e.g., graphic organizer, place-value chart, t-chart, graphic of scientific concept, timeline, map) to specific questions or answer choices
- include the formula from the grade-specific Reference Materials when the question specifies the measure or conversion to be performed
- direct student attention to parts of the grade-specific Reference Materials
- provide clarifying information for a graphic organizer, political cartoon, or map
- provide a visual representation in the selection, question, answer choices, or in the writing prompt by adding graphics, photographs, or animations

Rollovers:

- bullet or separate steps in a process (e.g., multi-step problem, sequence of events)

Supplementary Materials:

- blank Punnett squares (biology only)
- writing checklists (writing, English I, and English II only)
